

Dear sir,

I wish to apply for the post of Assistant Manager Technical as advertised on the Kawish News paper dated on 1/10/2022. The position seems an ideal opportunity for me as it matches my experience, knowledge and career aspirations.

As you can see from my CV, I have amassed over 13 years of significant, progressive experience in civil engineering projects within the construction and Highways. During my career I have participated in more than 7 civil engineering projects At world Bank ADB, JICA, GOP, BOT Projects, all of them were successful.

My progressive engineering experience has provided me with the opportunity to develop strong client relation building skills and an ability to lead multi-disciplinary teams. I am experienced at applying the principles of civil engineering and overseeing (supervise) the construction activities of Rehabilitation projects, new projects and maintenance of Projects.

I enclose my resume for your review and look forward to meeting with you in the near future. Should you have any questions or require clarification on any information please contact me at the bellow telephone number if i short listed

I would welcome the opportunity to talk to you and I hope that you will consider me for a interview. I thank you for your time and I look forward to hearing from you.

Your sincerely

Engr Ghulam Mustafa Abbasi

NOTE: (i) Errors and omissions excepted and can be rectified at any time on the basis of original record.
(ii) Indication of failing subject/papers by a red line or circle is simply for showing the position at glance. No responsibility shall lie on the Board for any inadvertent omission in this regard. Candidates should see for themselves success or failure in a paper on the basis of marks required and the marks obtained. Candidates not rely on presumptions.
(iii) The Board reserves the right of issuing any correction at any stage.
